

REMARKS

Claims 1 to 44 are the pending claims being examined in the application.
Reconsideration and further examination are respectfully requested.

The pending independent claims have been amended as per the discussions with the undersigned during both a personal interview conducted May 6, 2008 and telephonic interviews conducted July 29, 2008. The amendments point out that the individual data streams for each user are different for each user. Thus each user gets a data stream that is different from the other users. It is respectfully submitted that the present claims are neither anticipated nor rendered obvious by any art of record.

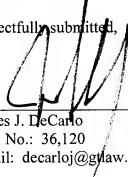

Support for this amendment may be found, for example, *inter alia*, at paragraph 47 of the published application, (US 2003/0046399).

In view of the foregoing, the entire application is believed to be in condition for allowance. Should matters remain which the Examiner believes could be resolved in a telephone interview, the Examiner is requested to telephone the Applicant's undersigned attorney.

In this regard, Applicant's undersigned attorney may be reached by phone at (212) 801-6729. All correspondence should continue to be directed to the below-listed address.

The Commissioner is hereby authorized to charge any required fee in connection with the submission of this paper, any additional fees which may be required, now or in the future, or credit any overpayment to Account No. 50-2638. Please ensure that the Attorney Docket Number is referred when charging any payments or credits for this case.

Respectfully submitted,
